## Hero Section

- **Headline:**  
*"Pay Your Lease. Earn Rewards. Reconcile with Ease."*
  - **Subtext:**  
Businesses can now pay commercial leases via **Amex or credit card**. Earn points, extend float, and get IRS-compliant receipts — while landlords receive funds seamlessly.
  - **CTA Buttons:**
    - [Get Started] (tenant sign-up)
    - [For Agencies] (onboard landlords)
  - **Visual:** Dashboard mockup showing scheduled lease payments + Amex points earned.
- 

## How It Works (3 Steps)

1. **Add Your Lease** – Enter lease details & save your preferred card.
2. **Set Your Schedule** – Weekly, fortnightly, or monthly payments auto-run.
3. **Get Rewarded** – Earn points while your landlord receives on-time trust account deposits.

👉 Visual treatment: like Ramp or Brex — clean, 3-card grid with icons.
